

### Equality Act Objectives

#### **Our School's Values:**

We want everyone to work in a caring school where everyone is valued and everyone values relationships. Our emotionally intelligent school community will celebrate individual differences and people will understand how their actions will impact upon, and be perceived by, those they affect;

We expect all members of our school community to be the best they can be and help others to be the best that they can be by valuing: **Respect, Honesty and Excellence.**

We have set the following objectives to help promote these values in Culcheth High School. We will be:

- A truly exceptional forward thinking school with high expectations for all learners through a relentless approach to breaking down barriers to learning and evidenced by high standards of achievement across all ages, regardless of background
- A learning centred school which strives to nurture and develop the talents of all of its students by providing a wide range of opportunities for all
- A school that provides a relevant, purposeful and inspiring curriculum for all students enabling them to be active citizens in a modern diverse British and global community
- A vibrant, tolerant and aspirational school community characterised by high levels of staff and student happiness and mutual respect, underpinned by pride, ambition and a commitment to achievement and enrichment for all
- A school that truly works in the community, with the community and for the community

Progress in meeting these objectives will be evaluated at least every two years.
