Dear Parent/Carer

Frontline History GCSE History Workshop - Thursday 7th May 2020

Your child has been studying medicine through the times as part of their History GCSE. This WW1 Battlefield Medicine Workshop is designed to support teaching and learning of this unit and is tailor-made for the Edexcel course specification.

The sessions will be led by Frontline Living History, an experienced historical interpreters with years of expertise in WW1 battlefield medicine and working in education. They aim to cover the content of the Edexcel GCSE Historic Environment study. Workshops are supported by hundreds of authentic artefacts, hands-on and role play activities, carefully-chosen period images and film. Most importantly they are based entirely upon the actual experiences of those who served Britain during the Great War.

So that we can facilitate this vital experience for your child, a £6.60 voluntary contribution by **Friday, 14 February** is requested in order to support covering the cost of this professional performance. The contribution for this performance is voluntary however if we do not receive enough funds to cover the cost, the performance will not go ahead.

Please be aware if your child is in receipt of Pupil Premium arrangements have already been made to cover this contribution (please indicate this on the reply slip).

ParentPay (online payments) is now available at Culcheth High School. The link for ParentPay can be accessed in a number of ways: <http://www.parentpay.com> download the MyEd app and follow the payments link or see our website for more details.

If you have any further queries please feel free to contact either your child's class teacher or myself on 01925 767587.

Yours faithfully

C Morgan (Mrs)
Head of History
