Dear Parent/Carer

**KS4 RE Study Workbook**

The RE department would like to offer you the opportunity to purchase a study workbook for your child. This book is designed to support students with the new RE 9-1 curriculum, and aims to help students with homework, as a guide during lessons to help with concepts they may not understand and to help prepare for their GCSE exams. This workbook not only includes all the course content that your child requires but also a range of questions to allow them to test their knowledge.

Please be aware that the recommended study workbook has been produced for AQA, however, upon thorough inspection, we are confident that this guide will provide vital support for your child during their revision for their impending examination, as no workbook for the Edexcel course has been released as yet.

The retail price for this workbook is £5.99, however, we are able to offer it for the special price of £4.65. If you would like to order this workbook, please pay by ParentPay or complete the form below, and return to school together with payment. Please return the slip with the money to Student Services by **Monday 16<sup>th</sup> March**.

ParentPay (online payments) is now available at Culcheth High School. The link for ParentPay can be accessed in a number of ways: <http://www.parentpay.com>; download the MyEd app and follow the payments link or see our website for more details. If you have paid by ParentPay DO NOT send in the reply slip below as you should have completed the "notes" field with any other information that has been requested.

If your child is in receipt of a Pupil Premium Educational Voucher (maximum value £100) please be advised that this book has already been purchased for your child.

If you have any questions about revision materials, please do not hesitate to contact me at school.

Yours faithfully

*J Lomax*
