

NOVEMBER IS

We're taking part!

Energy | Science | Sustainability

IMAGINE A WORLD WITHOUT ENERGY.....

..... What would it be like if we couldn't turn the lights back on?

Energy | Science | Sustainability

The reality is that 18% of the people in the world don't have access to electricity!

Even in the UK there is a constant challenge to ensure there is enough energy for everybody, especially over winter.

There are different sources of energy..

PLUS COAL &
NUCLEAR

Energy | Science | Sustainability

IMPORTANT CONSIDERATIONS ...

- How can we make it safe and not harmful to the environment?
- How can we produce enough energy to meet everyone's needs?
- How can we make it affordable for everyone?
