Dear Parents/Carers

### **School Communication**

In recent weeks, there have been a couple of occasions where parents have been misinformed via false messages on social media. One of these incidents related to the school being purportedly closed, and the other related to the school holding a supposed 'Trainer Day'. Neither of these social media posts came from the school and both were untrue.

Please be aware that when we are holding events in school or when we need to inform parents of important messages such as school closures, we would always inform you through either letter, e-mail, text, app message, #ThisWeek and/or the school website.

The school would never use Facebook or unofficial Twitter accounts to communicate with parents.

If you ever need clarification or information regarding events happening in school, please do not hesitate to contact the school office or check the school website.

Yours faithfully

C P Hunt (Mr)  
Headteacher
