

Culcheth High School Parental Update

Regular updates for Culcheth High School will appear here every Monday and Thursday.

Monday 11th January 2021

- COVID-19 Positive Cases Update & details of how to report a positive case will now be uploaded on the school website home page daily at 3pm. Please follow this link to the school website <http://culchethhigh.org.uk/>
- We have updated and further developed our remote learning offer and provision. The full set of guiding principles and Department for Education Remote Learning template. Please take the time to read through the information about our remote learning offer. The documents can be found on the school website via this link <http://culchethhigh.org.uk/curriculum-updates/>
- All students expected to register during normal registration period between 8.40am and 9.00am – this will be recorded, monitored and followed up with students and parents. There will be one live registration period per week
- Normal school timetable will operate as per the usual timings. Staff will be online and available throughout the scheduled lessons. The only exception will be when staff are part of the in-school duty team. Staff in school have to supervise the in-school students also, so there may be some delay in some communications between school and students
- The online remote learning offer includes a wide range of resources and support. This includes recorded videos and some live tutorials.
- Google Classroom can now be accessed via games consoles such as Xbox & PlayStation – It is relatively easy to install and various instructional videos can be found on YouTube
- Year 8 A Side Parents' Evening Audio Letter will be released to parents/carers on Thursday 14th January as per the school calendar
- Year 11 Progress Reviews will be posted home on Friday 15th January as per the school calendar. A letter from the Headteacher with an update on GCSE exams 2021 will be sent to Year 11 parents/carers, tomorrow
