

Culcheth High School Parental Update

Regular updates for Culcheth High School will appear here every Monday and Thursday.

Monday 22nd February 2021

- We hope that you had a safe and restful half term break. Welcome back to school with today being the start of the second part of the spring term. It is a six week half term
- Congratulations to the five #WeAreCHS Draw 6 Blue Ticket winners. Each winner has received a £25 Amazon voucher. The prize winners were Oliver Buckley (Year 7), Nicholas Stones (Year 8), Phoebe Cairns (Year 9), Lily Antell (Year 10) & Lucy McCready (Year 11)
- We hope to know more about the return to face-to-face education for all students, later today. Plans are in place for a full return to face-to-face education from Monday 8th March, subject to further reviews
- If students are struggling with the amount of work, we ask them to do the best that they can and let their teachers know. There is no need to worry or become anxious. We certainly don't want students working more than the allocated learning hours and become worried about not completing everything. If there are any concerns then students should communicate with their teachers
- A reminder for students, parents, carers and staff that it is important to regulate and manage the amount of screen time that we are all having. We ask that all students do the best that they can with the work set but ensure there is a balance in the amount of time that they are in front of their screens and away from their screens
- It is important to have regular breaks, be sensible about work completion and trying to do the best that we can, when we can by being flexible with school work. We encourage staff and students to remain as active as possible for our physical and mental health and wellbeing
- COVID-19 Positive Cases Update & details of how to report a positive case will now be uploaded on the school website home page daily at 3pm. Please follow this link to the school website <http://culchethhigh.org.uk/>
- Culcheth High School's full set of guiding 'Remote Learning Principles' and Department for Education Remote Learning template can be found on the school website. <http://culchethhigh.org.uk/curriculum-updates/>
- All students expected to register during normal registration period between 8.40am and 9.00am – this will be recorded, monitored and followed up with students and parents. There will be one live registration period per week
- Normal school timetable will operate as per the usual timings. Staff will be online and available throughout the scheduled lessons. The only exception will be when staff are part of the in-school duty team. Staff in school have to supervise the in-school students also, so there may be some delay in some communications between school and students
- Key Worker School Place Registration Link - <https://forms.gle/3H8XR8DzTkrS6i7B6>
- Technology/Internet Access issues – please contact the school via email detailing your situation using this email address info@culchethhigh.org.uk
