16 January 2020

Dear Parent/Carer

Biology Field Course 15th – 17th July 2020 Conway Centre, Anglesey

I am writing to you to introduce the Triple science Biology field course. This will run from the 15th to the 17th July. The visit will take place at the Conway centre on Anglesey and will allow us to cover a great deal of content from the Ecology topic, including a required practical. The visit will also provide the students with more practical opportunities to enhance the delivery of the topic.

The cost per student of the visit will be **£122**, which will cover the following: - full board at the centre, use of laboratory facilities at the centre, coach travel to and from the different destinations and insurance.

We will spend the first two days of the visit sampling two very different habitats and comparing the species that live there. We will also be looking at some of the adaptations of the species to introduce the Theory of Evolution by Natural selection. On the Friday of the visit we will be putting all of the skills that the students have learnt into use, when they complete the required practical to look at the distribution of species in an ecosystem.

A deposit will be required for the visit of **£70**. This must be paid by the 1st May 2020.

If your child is in receipt of a Pupil Premium Educational Voucher (maximum value £100) please be advised that you can use this to fund educational/pastoral visits and to support your child's learning. Simply indicate on the slip below if you would like to pay using this method. If you have any questions regarding Pupil Premium funding please contact Mr Groves (Assistant Headteacher) at the school.

ParentPay (online payments) is now available at Culcheth High School. The link for ParentPay can be accessed in a number of ways: <http://www.parentpay.com> download the MyEd app and follow the payments link or see our website for more details.

It would be helpful if you could let me know whether you would like your son or daughter to participate by completing and returning the slip below. If you would like your son or daughter to participate but will have difficulty contributing, please do not hesitate to contact me.

Yours faithfully

P Tasker (Mr)
Head of Science Faculty

CULCHETH HIGH SCHOOL
Biology Field Course 15th – 17th July 2020

STUDENT NAME: _____ **FORM:** _____

I give permission for my child to attend the Biology Field Course in July at a total cost of **£122**.
