13th January 2020

Dear Parent/Carer

KS4 Computer Science Revision Guides

The Computer Science Department often gets questions from parents regarding KS4 revision guides. As a result of this, we would like to offer you the opportunity to buy the relevant revision guides for your child. The revision guides that we are promoting are specifically written for the course the students are following. These are new revision books, designed to support students with the new Computer Science 9-1 Edexcel curriculum and aim to help students with homework, as a guide during lessons to help with concepts they may not understand and to help prepare for their GCSE exams.

The revision guides are published by CGP Books and provide guides for all of the content covered at Culcheth High School. We are offering the option to purchase 3 different revision guides as well as revision question cards outlined below. As a recommendation, the Revision and Practice Guide incorporates both the other revision guide and covers all the content of the curriculum in a well organised, colourful and easy to use format as well as sample questions and answers.

If you would like to buy all or some of the revision materials, please use the ParentPay online system. ParentPay (online payments) is now available at Culcheth High School. The link for ParentPay can be accessed in a number of ways: <http://www.parentpay.com>; download the MyEd app and follow the payments link or see our website for more details. **If using ParentPay this replaces the reply slip.**

Alternatively, you can pay using cash/cheque using the form below. Please return the slip with the money to Student Services by **Friday 24th January 2020 by 3.00pm.**

If your child is in receipt of a Pupil Premium Educational Voucher (maximum value £100) please be advised that you can use this to fund educational/pastoral visits and to support your child's learning. Simply indicate on the slip below if you would like to pay using this method. If you have any questions regarding Pupil Premium funding please contact Mr Groves (Assistant Head teacher) at the school.

If you have any questions about the revision materials, please do not hesitate to contact me at school.

Yours faithfully

N Bolton (Mr)
Head of Computing

CULCHETH HIGH SCHOOL
KS4 Computer Science Revision Guides

Student Name..... Form..... Computer Science Group.....

I would like to purchase the OCR Complete Revision & Practice Grade 9-1 workbook at £5.70
