Wednesday 1st December 2021

- Students who show signs of COVID-19 symptoms must stay at home, arrange a test and inform the school immediately of the results and their expected return to school date.
- Culcheth High School will liaise with NHS Test and Trace as and when required, to help identify any close contacts of confirmed positive cases.
- Students who are identified as close contacts will be informed by NHS Test and Trace, who will inform of the process to be followed.
- The school will NOT be conducting its own track and trace system.
