Dear Parent/Carer

Science Revision Guides – Trilogy, Foundation Tier

The Science Department would like to offer you the opportunity to buy the relevant revision guide for your son/daughter. The revision guides that we are promoting are specifically written for the course the students are following. In the past, students have used the revision guides in a number of ways; to help with homework and as a guide during lessons to help with concepts they may not understand. Students have also commented on how useful they are when it eventually comes to the time to revise.

The revision guides are published by CGP and provide guides for all of the GCSE courses on offer at Culcheth High School. If you would like to buy a revision guide, please purchase them via ParentPay by 12pm Friday 16th October at a total cost of £12.50. Orders will be placed after this date and materials should be with us with in a week.

ParentPay (online payments) is now available at Culcheth High School. The link for ParentPay can be accessed in a number of ways: <http://www.parentpay.com>; download the MyEd app and follow the payments link or see our website for more details.

If your child is in receipt of a Pupil Premium Educational Voucher they will automatically receive a revision guide.

Alternatively, if you would like to order the revision guides for yourself I have included the ISBN numbers for the relevant documents.
