21 October 2019

Dear Parent/Carer

### **Maths Revision Guides – Year 11**

The Maths department would like to repeat our offer to you to buy the relevant revision guide for your son/daughter. The revision guides and cards that we are promoting are specifically written for the course the students are following. Revision guides can be used to help with homework and as a guide during lessons to help with concepts they may not understand, in addition to their use as a revision aid.

The revision guides are published by Edexcel and provide guides for all of the GCSE courses on offer at Culcheth High School. If you would like to buy a revision guide please purchase them via ParentPay by **Friday 8 November**. Please be advised that on ParentPay, you will only be able to see the revision materials relevant for your son/daughter. Alternatively, if you would like to order the revision guides for yourself, I have included the ISBN numbers for the relevant books and cards.

ParentPay (online payments) is now available at Culcheth High School. The link for ParentPay can be accessed in a number of ways: <http://www.parentpay.com>; download the MyEd app and follow the payments link or see our website for more details. Do NOT send the reply slip in as well as paying online.

Alternatively, you can pay using cash/cheque using the reply slip. Year 11 sets S, H & A are following the Higher Tier programme, with sets P & E following the Foundation Tier. Please return the slip with the money to Student Services by **Friday 8 November**.

If your child is in receipt of a Pupil Premium Educational Voucher they received the revision guides during Year 10.

If you have any questions about the revision materials, please do not hesitate to contact me at school.

Yours faithfully

*A Crookes*
