

RISK ASSESSMENT

Department: Education		Location: Culcheth High School		Date of Re-Assessment : 25 th August 2021		Review Date: Weekly	
Name of Assessor: Katie Petre-Hoyle and John Morris			Position of Assessor: Health and Safety Manager and Facilities Manager		Signature:		
Title and Ref. Number of Tasks: No. 1632 COVID School Reopening Procedures							
Hazard	Persons at Risk	Potential Harm	Existing Control Measures	Risk Rating (H/M/L)	Further Action Required	Residual Risk (H/M/L)	
<p><u>Building and Systems not maintained prior to opening</u></p> <p><u>Key person(s) responsible</u> JMR</p>	<p>Staff, Students, Contractors, Visitors</p>	<ul style="list-style-type: none"> Lack of statutory inspection, testing, servicing could lead to poorly maintained equipment, injury from faulty equipment or the risk of developing legionella through the lack of water hygiene management. 	<ul style="list-style-type: none"> All statutory tests and checks have been undertaken including fire extinguishers and legionella as examples. 	L	<ul style="list-style-type: none"> All inspections, maintenance and servicing are up to date. All future check are scheduled to take place. Air handling system uses fresh air only within the building ventilation systems. Visual inspections will be carried out prior to opening building to identify any hazards that could pose a risk to users of the building. Lift inspection schedule has been followed with the last inspection in August 2021. 	L	

<p><u>Lack of communication with parents/carers and staff members</u></p> <p><u>Key person(s) responsible: SLT</u></p>	<p>Staff, Students</p>	<ul style="list-style-type: none"> Parents/carers may feel anxious about their child returning back to school or may not want child back to school due to lack of information on the controls in place to manage the risk of Covid-19. Staff may feel anxious about returning to school due to lack of information provided or the expectation placed on staff on returning 	<ul style="list-style-type: none"> Staff receive a weekly update from the Headteacher. Parents receive regular updates from school 	<p>L</p>	<ul style="list-style-type: none"> Ensure parents/Carers are kept up to date with the measures the schools are taking to protect pupils against the risk of COVID-19 in school. Regular updates should also be provided following any changes made to the schools procedures for managing the risks from COVID-19 in school. All staff (including catering and mid-day assistants) have been provided with the school's Risk Assessment and Reopening procedure document which cover the measures the school are taking to ensure their health and safety once school opens. Discuss any concerns with staff prior to opening and provide feedback on the controls in place. This should include any safety reps in school. Risk Assessment updated with any changes which come from this feedback. Students will be briefed by PLs and Form Tutors on the procedures to follow in the school. The school's behaviour policy has been reviewed and expectations have been shared with staff and students in preparation for September. Ensure arrangement for SEND students are discussed with Parents/Carers and individual assessment undertaken to identify provision required for child before extended opening of school begins. Staff are aware they can speak to Manager, SLT or ACR re any concerns and there is an open door policy for those who need additional support. Regular information on mental health will be shared. <p>See GOV.UK Guidance for the public on the mental health and wellbeing aspects of coronavirus</p>	<p>L</p>
<p><u>Staffing levels</u></p> <p><u>Key person(s) responsible: SLT</u></p>	<p>Students, Staff</p>	<ul style="list-style-type: none"> Lack of staff available to teach or carry out required tasks in school 	<ul style="list-style-type: none"> Staff are aware to only attend site if they are well and not displaying any symptoms of COVID 	<p>L</p>	<ul style="list-style-type: none"> We will continue to ensure adequate number of staff identified to carry out day to day duties including: leadership, safeguarding, SENCO, first aiders / fire wardens, caretaking and cleaning staff. Contingency plans are in place if staff levels go below the required amount. 	<p>L</p>

<p><u>Lack of Fire Wardens & First Aid Provision</u></p> <p><u>Key person(s) responsible:</u> <u>JMR/KPH</u></p>	<p>Students, Staff</p>	<ul style="list-style-type: none"> • Unable to provide adequate first aid or able to supervise fire evacuation procedure. 	<ul style="list-style-type: none"> • Current staff rote ensures there is always a first aider and fire warden on site whenever the school is open. 	<p>L</p>	<ul style="list-style-type: none"> • Ensure First Aid and Fire Wardens numbers assessed to ensure appropriate cover in place for the needs within school. We will have minimum 5 first aiders in per day. • Posters in every office, meeting room and workroom show first aid and fire evacuation information. • PPE has been identified (in line with HSE recommendations) and acquired for use by first aiders should they wish to use it. • First aiders have been briefed with the new arrangements and visual guides will be available to ensure PPE is used correctly. • First aiders have been advised not to provide mouth to mouth and to immediately call an ambulance. • Any close contact ie defib made by first aiders with an ill person will be with full PPE. • In the event of a fire or an emergency, the emergency evacuation procedure is to be followed • See GN 25 – First Aid via MSS • See Guidance on Covid-19 in relation to carrying out CPR and resuscitation 	<p>L</p>
---	------------------------	--	---	----------	--	----------

<p><u>Unable to maintain social distancing measures and mixing of pupils on home to school transport / public transport</u></p> <p><u>Key person(s) responsible: SLT, KPH</u></p>	<p>Students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID-19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Ask parents and students to avoid public transport if possible and drive, walk or cycle to their school / setting 	<p>M</p>	<ul style="list-style-type: none"> • Advise students to wear a face mask on public transport • If public transport has been used to get to school, students will be instructed to wash their hands, remove their face mask without touching the front and wash their hands again before continuing to their classroom. • Parents signposted to governmental guidance on public transport use • Advise students to wash their hands for 20 seconds prior to getting on the bus and after getting off – students will hand sanitise upon leaving the school building prior to boarding the bus. Signs will advise the correct method for effectively washing hands ie 20 second rule and the use of hand sanitiser. <p>When dedicated bus services begin again in September:</p> <ul style="list-style-type: none"> • Make sure transport providers do not work if they are displaying any symptoms of COVID 19 and follow hygiene rules and try to keep distance from their passengers. • Students will be instructed to wear face masks • No food or drink to be consumed on the bus • General public do not use the service • Travel survey has been shared with parents to ascertain what transport will be used in September. School is encouraging all to walk and cycle where possible. This information will be shared with the local authority. 	<p>L</p>
<p><u>Mixing of staff and non-adherence to social distancing measures during the arrival to and departure from school</u></p> <p><u>Key person(s) responsible: SLT</u></p>	<p>Staff, Students and Parents</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Ask staff to wash their hands on arrival and prior to leaving the school 	<p>L</p>		

<p><u>Mixing of parents and carers / students and non-adherence of social distancing measures during the drop off and collection times</u></p> <p><u>Key person(s) responsible:</u> <u>SLT</u></p>	<p>Students, Staff and Parents</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Adhere to all areas of the school's protocols. 	<p>L</p>	<ul style="list-style-type: none"> • Instruct students to use hand sanitiser on arrival and prior to leaving the school • Students will be lining up and entering the building at different points, which negates the need to stagger start and finish times. 	<p>L</p>
<p><u>Unable to maintain social distancing measures in the classroom</u></p> <p><u>Key person(s) responsible:</u> <u>SLT, JMR</u></p>	<p>Staff and Students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • All windows and doors kept open for natural ventilation • Adhere to all areas of the school's protocols. 	<p>L</p>	<ul style="list-style-type: none"> • Where a sink is not nearby, provide hand sanitiser and tissues in classrooms and other learning environments. 'Catch it, kill it, bin it' posters displayed in all learning areas https://www.england.nhs.uk/south/wp-content/uploads/sites/6/2017/09/catch-bin-kill.pdf 	<p>L</p>
<p><u>Unable to maintain social distancing measures and mixing of students and staff whilst moving around the building</u></p> <p><u>Key person(s) responsible:</u> <u>SLT, JMR</u></p>	<p>Staff and Students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Adhere to all areas of the school's protocols. 	<p>L</p>	<ul style="list-style-type: none"> • Year groups have been assigned areas within the school in which to take their break and lunch. • Students should walk on the left hand side at all times and in single file when moving around the building. • Lifts are available to those who require the use in exceptional circumstance. • Any member of staff or student who requires lift use because of an individual RA will be instructed how to use one safely. 	<p>L</p>

<p><u>Higher risk of contamination if pupils and staff use shared equipment and resources</u></p> <p><u>Key person(s) responsible: SLT</u></p>	<p>Staff and Students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Computer is cleaned regularly after use • Adhere to all areas of the school's reopening plan and protocols. 	<p>L</p>	<ul style="list-style-type: none"> • Limit the amount of shared resources in use - each year is allocated its own set of chrome books. • Any equipment which has to be shared will be cleaned regularly. Cleaning materials will be available to all staff. • Clean shared materials and surfaces more frequently - cleaners attend site each afternoon to complete a thorough clean of all rooms and equipment used. • Chrome books are cleaned regularly 	<p>L</p>
<p><u>Higher risk of contamination if pupils and staff use shared spaces</u></p> <p><u>Key person(s) responsible: SLT, JMR</u></p>	<p>Staff and Students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Adhere to all areas of the school's protocols. 	<p>L</p>	<ul style="list-style-type: none"> • Students will have the same break time • Students will be encouraged to wash hands or hand sanitise before and after break • Daytime cleaners will be wiping down all surfaces such as handles, rails and touch plates as they do the toilet cleaning rounds. • Year groups will have their own allocated zones for break and lunch including allocated toilets • Students will go outside for breaks and lunch wherever possible and be fully supervised by teaching staff • If the weather is poor, students will return to their form room • All tables will be wiped down with disinfectant regularly 	<p>L</p>

<p><u>Higher risk of contamination if pupils and staff use shared outdoor spaces and equipment</u></p> <p><u>Key person(s) responsible: SLT, JMR</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 		<p>L</p>	<ul style="list-style-type: none"> • Students have their allocated outdoor area and use their allocated toilets where possible • All outdoor activity will be supervised 	<p>L</p>
<p><u>Mixing of pupils during break and lunch times and maintenance of social distancing measures</u></p> <p><u>Key person(s) responsible: SLT</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Duty staff supervision at all times. • Students wash their hands at the beginning and end of break and lunch. 	<p>L</p>	<ul style="list-style-type: none"> • Students have their allocated areas during break and lunch. • Other than the allocated servery, toilets and student services, students are not permitted to be in the building during break and lunch time. • If the weather is poor then form rooms will be used 	<p>L</p>
<p><u>Mixing of staff and pupils whilst providing school meals</u></p> <p><u>Key person(s) responsible: SLT, KPH</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 		<p>L</p>	<ul style="list-style-type: none"> • Cleaning products and hand sanitiser are available for use by the catering team - situated within the kitchen and by each serving hatch. • Catering staff will wash their hands regularly • Catering staff will disinfect and clean the kitchen equipment regularly throughout the day. • All tables will be wiped down with disinfectant regularly • Biometrics system cleaned regularly • Students asked to use hand sanitiser before approaching their allocated server. • Any students with allergies to the hand sanitiser will have access to alternative hyperallergenic options. Student will make themselves known to the nearest duty staff who will assist. 	<p>L</p>

<p><u>Mixing of pupils/staff during visits to toilets and hand washing facilities</u></p> <p><u>Key person(s) responsible:</u> <u>SLT, JMR</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Advise students and staff to wash their hands for 20 seconds using warm water and soap. • All soap dispensers in school dispense anti-bacterial hand wash • Staff using separate designated toilets 	<p>L</p>	<ul style="list-style-type: none"> • During break and lunch, students must use their designated toilets in their zone: <ul style="list-style-type: none"> - Year 7 - Shakespeare Second Floor Girls. Shakespeare First Floor Boys - Year 8 – King 2nd Floor Girls. King 1st Floor Boys - Year 9 – Shakespeare 2nd Floor Girls, Shakespeare 1st Floor Boys - Year 10 – King First and Second Floor - Year 11 – Ground Floor Street • During lessons and registration students may use their nearest toilet • Only one student per cubicle should enter the toilets. During break and lunchtimes, toilets will be supervised by a member of staff • Toilets will be cleaned thoroughly throughout the day by cleaning staff. Cleaning staff will alert the Site team if there are any toilets running low on soap or toilet roll. 	<p>L</p>
<p><u>Unable to maintain social distancing measures during high risk subject lessons</u></p> <p><u>Key person(s) responsible:</u> <u>SLT</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 		<p>L</p>	<ul style="list-style-type: none"> • We will follow any specific guidance for high risk subject lessons • Peripatetic Music lessons will begin in September 2021 	<p>L</p>

<p><u>Pupils and staff are at higher risk of severe illness if they do not maintain social distancing / follow medical advice</u></p> <p><u>Key person(s) responsible: SLT, KPH</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 		<p>L</p>	<ul style="list-style-type: none"> • Where a student is unable to attend school because they are complying with clinical and/or public health advice, the school will continue to offer them remote learning. 	
---	---------------------------	--	--	----------	--	--

<p><u>Risk of infecting pupils and staff if symptomatic pupils and staff are not managed in line with the guidance</u></p> <p><u>Key person(s) responsible: SLT, KPH</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Staff are aware of the process for sending home students if they become unwell with a new, continuous cough, a high temperature or loss of taste/smell and advise them to follow the school protocol: • Student is awaiting collection: <ul style="list-style-type: none"> • - Move them to the medical room where they can be isolated behind a closed door <ul style="list-style-type: none"> - Depending on the age of the student provide appropriate adult supervision if required - Open a window for ventilation - If they need to go to the bathroom while waiting to be collected, they should use a separate disabled toilet in reception if possible. The toilet should be cleaned and disinfected by site or cleaning staff before anyone else can use it. • - PPE should be worn by staff caring for the student while they await collection if a distance of 2 metres cannot be maintained (such as for a student with complex needs). <ul style="list-style-type: none"> - Call 999 if they are seriously ill or injured or their life is at risk. • If a member of staff has helped someone who was unwell with a new, continuous cough, a high temperature or a loss of taste and smell, they do not need to go home unless they develop symptoms themselves (and in which case, a test is available) or the student subsequently tests positive. They should wash their hands thoroughly for 20 seconds after any contact with 	<p>L</p>	<ul style="list-style-type: none"> • School will fully engage with NHS Track and Trace • If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection', which sets out that they must self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19). • If a student becomes unwell in school move then if possible to a room where they can isolate behind a closed door or to an area at least 2 metres away from others. • PPE must be worn by staff caring for the child while they await collection if a distance of 2 metres cannot be maintained (such as for a very young child or a child with complex needs). PPE provided is in line with HSE guidelines. • Any members of staff who have helped someone with symptoms do not need to go home to self-isolate unless they develop symptoms themselves (in which case, they should arrange a test) • The area around the person with symptoms must be cleaned with normal household bleach after they have left to reduce the risk of passing the infection on to other people. See the COVID-19: cleaning of non-healthcare settings guidance. • Room used to house the suspected case will be locked and marked as closed until a thorough clean has taken place. • The school will ask parents and staff to inform them immediately of the results of a test: <ul style="list-style-type: none"> -if someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better. -if someone tests positive, they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. 	
--	---------------------------	--	---	----------	---	--

			<p>someone who is unwell.</p> <ul style="list-style-type: none">• Site or cleaning staff will clean the affected area with normal household disinfectant after someone with symptoms has left will reduce the risk of passing the infection on to other people. See the COVID-19: cleaning of non-healthcare settings guidance.• Seek advice from the Public Health Team on any further action to take. Publichealth@warrington.gov.uk			
--	--	--	---	--	--	--

<p><u>Visitors do not adhere to social distancing measures put in place</u></p> <p><u>Key person(s) responsible:</u> <u>SLT, KPH</u></p>	<p>Staff, students and visitors</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 		<p>L</p>	<ul style="list-style-type: none"> • Maintain a record of all visitors, including contact details to allow for track and trace. • Install electronic visitor book will be cleaned regularly. Those signing in will use hand sanitizer before. 	<p>L</p>
<p><u>Delivery of inbound good - ineffective infection control and increased risk of infection</u></p> <p><u>Key person(s) responsible:</u> <u>SLT, JMR</u></p>	<p>Staff, students and Delivery staff</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Deliveries are between the hours of 7.30am and 5.00PM to ensure site staff supervision. • Deliveries made to two allocated areas only - Ground Brunel stairwell and the school kitchen. • Introduce greater hand-washing and hand-washing facilities for site staff and catering staff handling goods and merchandise and providing hand sanitiser where this is not practical. 	<p>L</p>	<ul style="list-style-type: none"> • Delivery hours to be extended between 7.30am and 5.00pm 	<p>L</p>

<p><u>Cleaning - ineffective infection control and increased risk of infection</u></p> <p><u>Key person(s) responsible: SLT, JMR</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • Cleaners attend site each afternoon after students and staff vacate the site. Any rooms which were used are thoroughly cleaned.. • Spaces are well ventilated using natural ventilation (opening windows and doors) or ventilation units • Doors are propped open, where safe to do so (bearing in mind fire safety and safeguarding), to aid ventilation 	<p>L</p>	<ul style="list-style-type: none"> • Additional cleaning requirements and hours agreed with Warrington. • There will be 2 cleaners in school during the day from 8am and all other cleaners will arrive at 3pm. • Site Team responsibilities - clean the water fountains at regular intervals throughout the day, ensure hand sanitisers are kept topped up, clean all hand rails and surfaces in the used areas after break and lunch each day. • Cleaners will disinfect and wipe down all surfaces: <ul style="list-style-type: none"> - The 2 cleaners who are on site from 8am will clean the designated toilets for students and staff on rotation throughout the day. -replace with stair railings to be cleaned by site team after break and lunch and the cleaning team in the evenings. - Entrance to classrooms (both door handles, etc.) at break, lunchtime and at the end of the day. - Classroom desks to be cleaned at the end of each day by the cleaners • Every afternoon there will be a thorough clean of all regularly used spaces and surfaces in school. • Staff and students should alert the site team to any soap dispenser, hand towel dispenser, hand dryer or loss of toilet roll – soap and hand towel dispensers are non-refill. • Deep cleans of the building are put into place where there is a confirmed case of COVID-19. The measures will range from additional cleaning and isolation of a room by the site / cleaning team through to the whole school being ‘fogged’. Further advise from the HSE would be sought as needed 	<p>L</p>
<p><u>Risk of future local lockdown impacting the school's ability to physically open</u></p> <p><u>Key person's responsible: SLT</u></p>	<p>Staff and students</p>	<ul style="list-style-type: none"> • Direct transmission of COVID -19 virus from being in close proximity to people with the virus (i.e. person to person transmission - hand to hand, hand to mouth, hand to body) • Indirect transmission of COVID-19 virus from hand and hands contact with contaminated surfaces 	<ul style="list-style-type: none"> • School Remote Operating Plan in place should it be required 	<p>L</p>	<ul style="list-style-type: none"> • School remote operating plan in place which can be rolled out for smaller and larger groups of students and staff whenever required. • Clear communication channels with parents/carers to keep them fully informed of any changes to provision. • School Leadership team are keeping themselves fully informed with national and local updates and will work closely with PHE if required. 	<p>L</p>
