16th November 2023

Dear Parents/Carers

CHRISTMAS APPEALS

The festive season is upon us – a time, more than any other, for kindness and generosity!

This year, we at CHS are supporting two Christmas charities and one community event, and we would be incredibly grateful if you could make a contribution to one or more of them.

Firstly, we are supporting **The Christmas Toy Appeal**, run by Golden Square and Warrington Food Bank, which helps families who are struggling this year. Donations of new toys, books, gift vouchers, sweets or toiletries (suitable for children aged 0-16) can be made directly to school (drop them off at reception or Mr Dugdale's office, K117).

Secondly, we are supporting the **St Joseph's Family Centre Christmas Appeal**, which helps families facing significant financial hardship by providing supermarket vouchers over the festive period. You can donate via ParentPay.

Thirdly, we will be running our own annual **CHS Senior Citizens' Christmas Party**. It's always a great pleasure to host the wisest in our community for Christmas dinner, live entertainment from the musical theatre group and bingo ... but we desperately need funding. You can bring Christmas cheer and a warm glow to the darkest of months by making a donation by ParentPay (click [here](#) to donate via ParentPay) or by donating gifts that we can use for bingo prizes (smelly things, chocolates, gift packs). Any donated gifts should go to main reception or can be dropped off at Mr Dugdale's office, K117.

Thank you in anticipation.

Yours faithfully

B Dugdale (Mr)
Assistant Headteacher
